CHAPTER 13 Section 1

Reading Comprehension 3

- 1. Chief of state; President as the ceremonial head of the government of the United States; yes
- 2. Chief executive; President as vested with the executive power of the United States; yes
- 3. Chief administrator; President as the director of the executive branch of the Federal Government; yes
- 4. Chief diplomat; President as the main architect of American foreign policy and the nation's chief spokesman to the rest of the world; yes
- 5. Commander in chief; President as the head of the nation's armed forces; yes
- 6. Chief legislator; President as the principal author of the nation's public policies; yes
- 7. Chief of party; President as the leader of his or her political party; no
- 8. Chief citizen; President as the representative of all the American people; no
- 9. (a) must be a natural born citizen of the United States
(b) must be at least 35 years of age
(c) must have been a resident of the United States for at least 14 years
- 10. four years
- 11. It limited to two the number of full terms that a President may serve.
- 12. 10 years (if the President succeeds to the office after the midpoint in another person's term and then seeks two full terms of his or her own)
- 13. (a) For: It is a reasonable safeguard against "executive tyranny."
(b) Against: It is undemocratic because it limits the right of the people to decide who will be President. Also, it undercuts the authority of a two-term President.
- 14. They have argued that a single, nonrenewable term would free a President from the pressures of a campaign for a second term and so allow the chief
